Drain Line Flushing: Night Work

Fish Creek Blvd SW at Tsuu T'ina Trail Northbound Roundabout

WHAT: KGL is flushing drainage lines along the Southwest Calgary Ring Road. Flushing requires buffer trucks to support hydrovac trucks in parking along the sides of road to clean underground storm lines. Night work is being undertaken to minimize the traffic impact during the day.

WHERE: Fish Creek Blvd SW at Tsuu T'ina Trail Northbound Roundabout

WHEN: Approximately the week of March 22nd, 2021. Work cannot be performed at temperatures below -20° C and is therefore weather dependent.

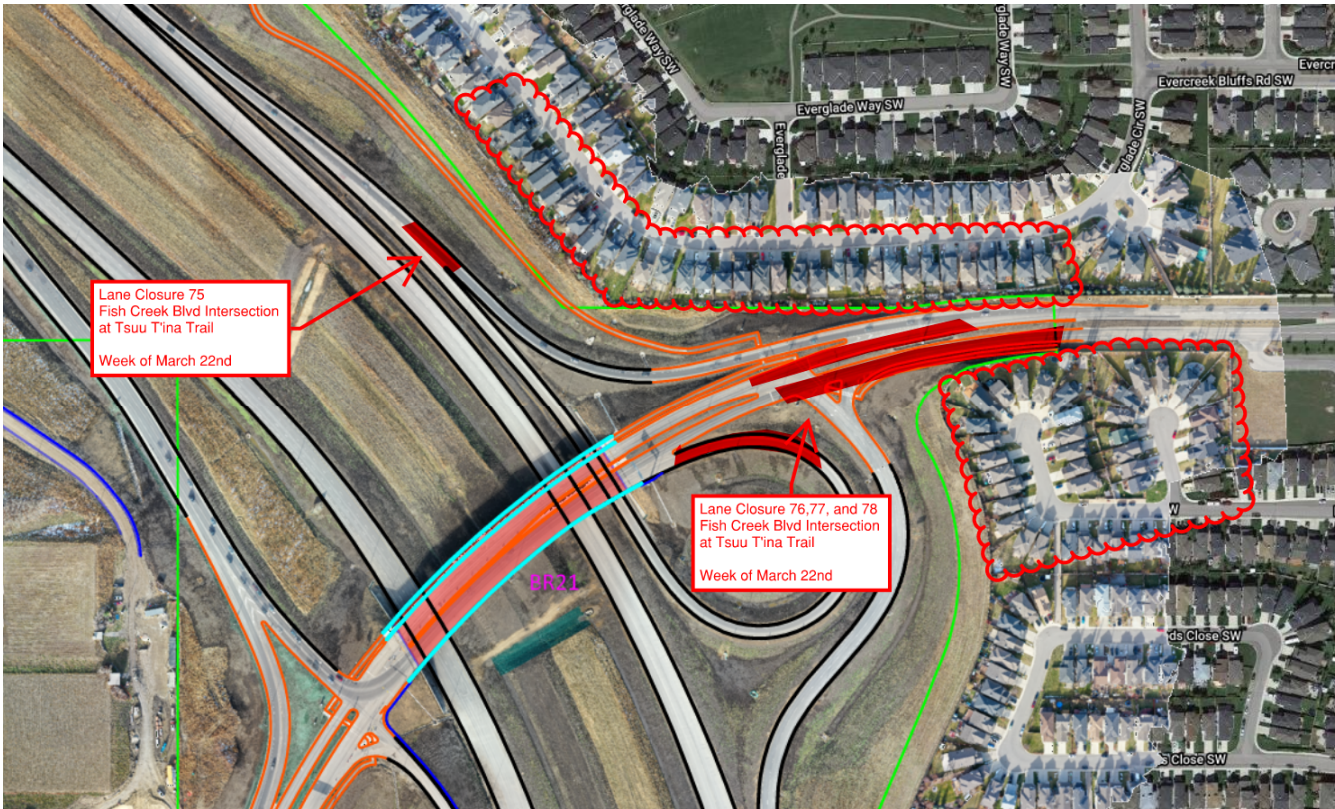

WORK HOURS: Between 10 p.m. to 6 a.m.

ANTICIPATED IMPACTS: Residents may notice construction noise and construction equipment traffic. Shoulder/lane closures along the above roads allowing for the delivery of work vehicles and hydrovac trucks. Residents may notice noise from hydrovac trucks as they are parked in the shoulder/lane closures cleaning underground storm lines.

OTHER INFORMATION: Please visit www.swcrrproject.com for more details.

Thank you in advance for your patience and cooperation. For addition information call 403-212-0565 or email info@SWCRRproject.com.
