

Southwest Calgary Ring Road

Construction Advisory

July 26, 2021

**Noise Attenuation Walls – Stony Trail SE, East of
James McKeivitt Rd SW (Community of Somerset)**

WHAT: KGL will begin construction of the permanent noise attenuation sound walls along the Southwest Calgary Ring Road. Installation will occur in three phases: (1) Pile Foundation Installation and (2) Noise Wall Panel Installation & (3) Finishing, Painting & Cleanup.

This construction activity is the culmination of 2-years of design to ensure that surrounding communities are protected from noise levels which exceed a 24-hour weighted average of 65 decibels as per the provincial guidelines for noise mitigation.

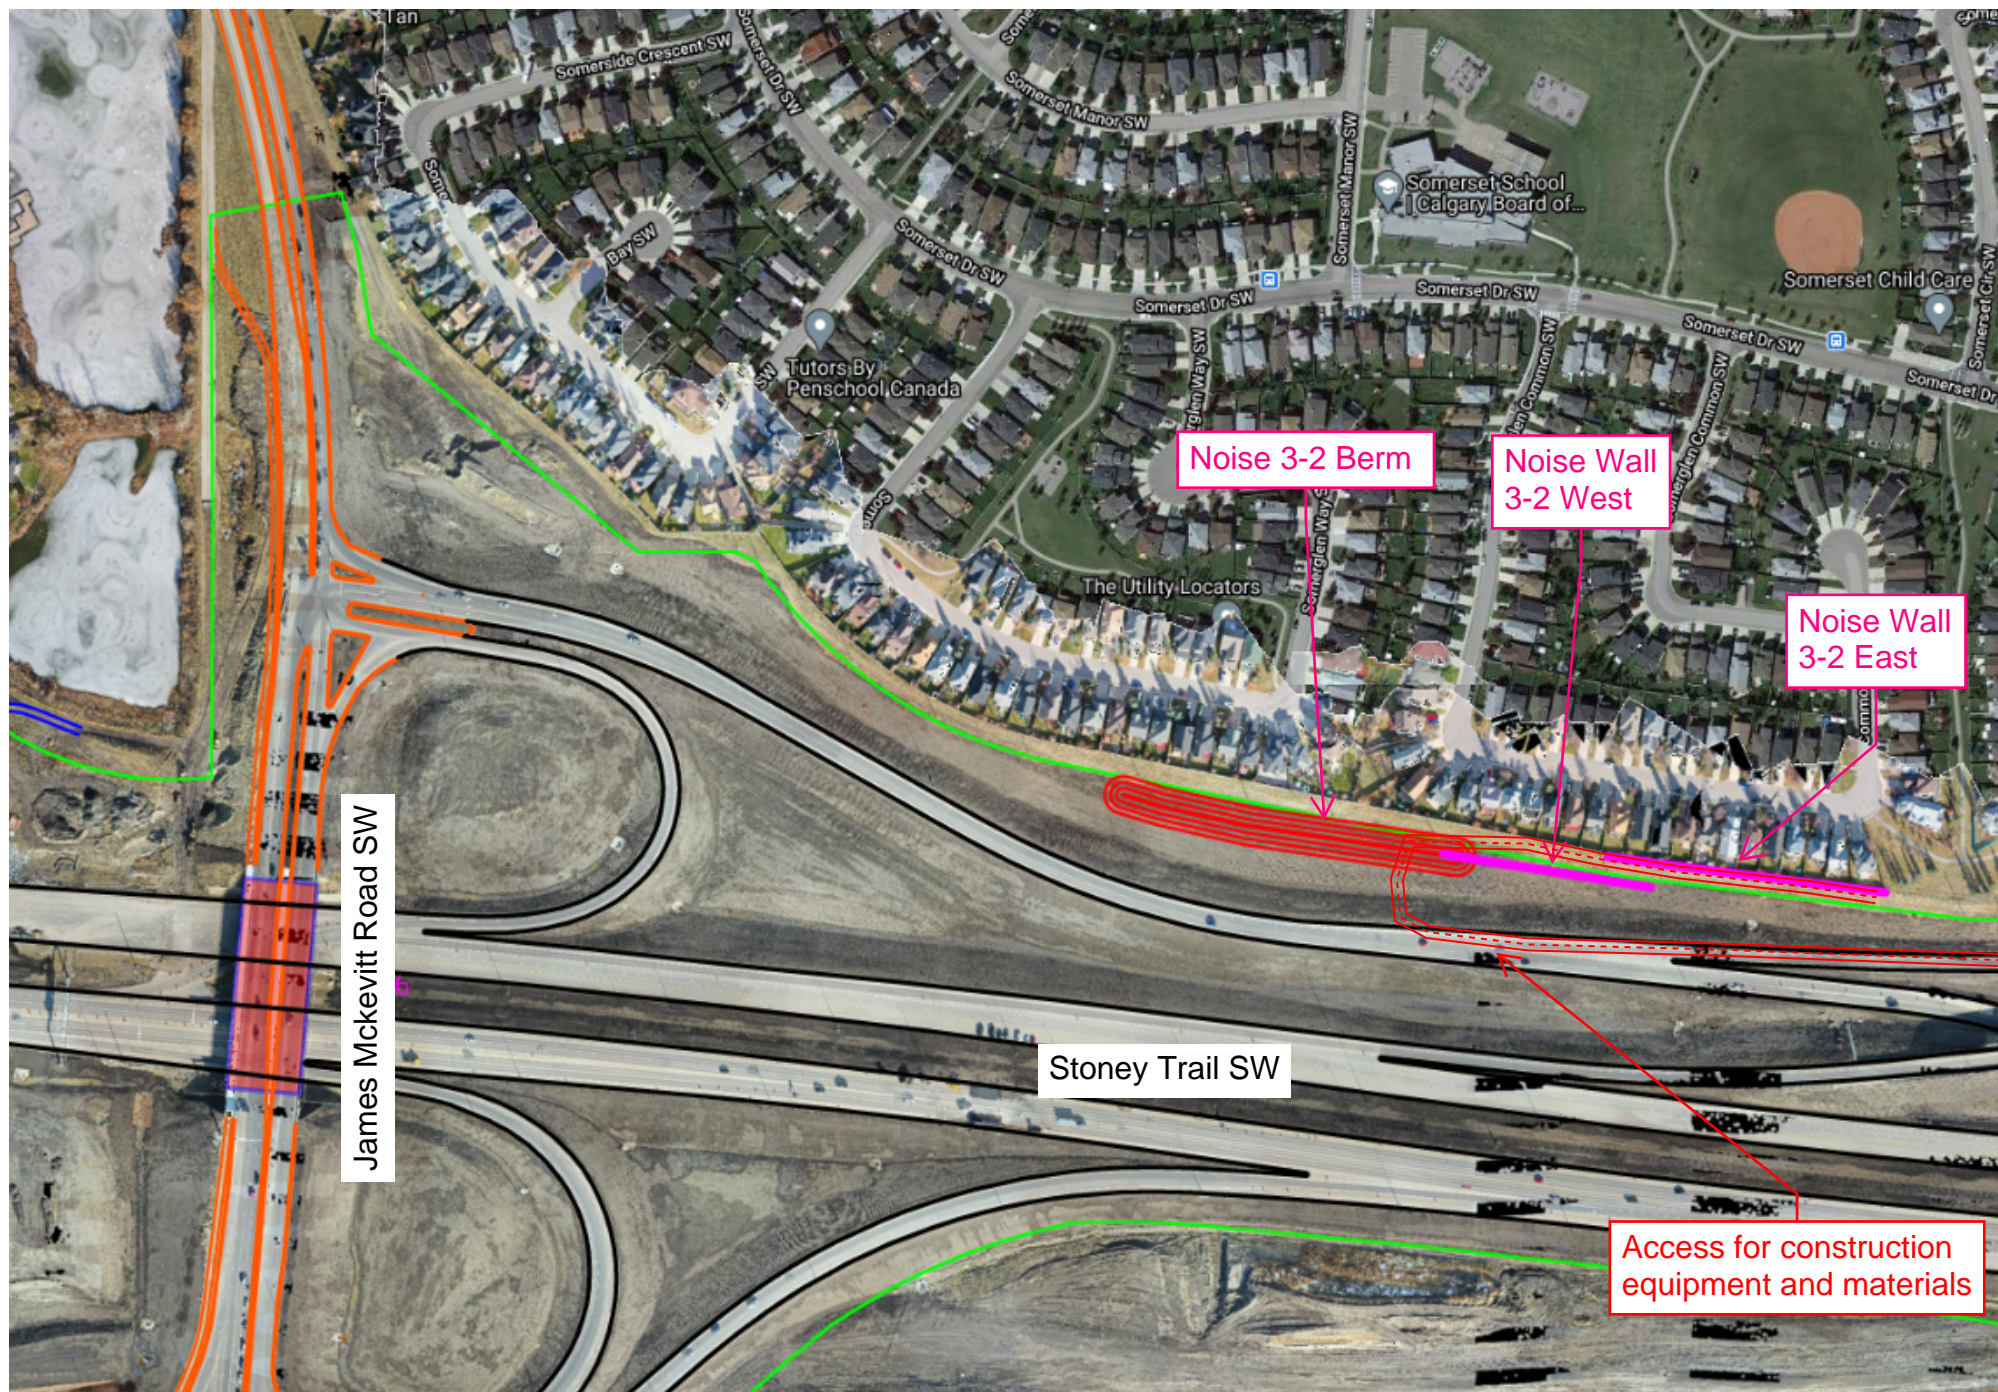

WHERE: Between James McKeivitt Road SW & 6th Street SW, just north of Stony Trail SE located on the south side of the community of Somerset. See enclosed map for more details.

WHEN: Piling activity is expected to start the week of August 3rd, 2021 with work continuing through October.

WORK HOURS: 7 a.m. – 7p.m.

ANTICIPATED IMPACTS: Construction activity will be confined to the transportation utility corridor (TUC). Residents may notice construction noise and construction equipment traffic on James McKeivitt Road SW & the green space located south of the community of Somerset to allow for the delivery of construction equipment and materials.

Thank you in advance for your patience and cooperation. For additional information call 403-212-0565 or email info@SWCRRproject.com.
